DURABILITY YOU CAN FEEL

You can feel confident that your chair can withstand the rigors of an active lifestyle. The M1 features locking, flip back arm rests with two points of contact for added security. Center mount and swing-away legrest options designed for durability and ease of use.

ADDED STABILITY WITH UNIQUE SUSPENSION GEOMETRY AND LINEAR SPRING DESIGN

PROVEN TECHNOLOGY

Reliability comes standard with proven drive unit technology also found in the M3 and F3 power series. The unique suspension geometry and linear spring design provides a more stable chassis while the vibration dampening FlexLink™ ensures a smooth ride over a variety of terrain.

CASTER GLIDE™

Precision engineered CasterGlide™ technology promotes confidence driving at low speeds, in tight areas, or while using a variety of alternative drive controls.
